T. Kohn, Janet M. Corrigan, and Molla S. Donaldson ... - To Err Is Human breaks the silence that has  
surrounded medical errors and their consequence--but not by pointing fingers at caring health care  
professionals who make honest mistakes. After all, to err is human. Instead, this book sets forth a national  
agenda--with state and local implications--for reducing medical errors and improving patient safety through  
the design of a safer health system. Thu, 04 Jan 2018 20:10:00 GMT To Err Is Human: Building a Safer

Err is Human; To Forgive Divine - Home - Green Acres ... - Background: The â€œTo Err is  
Humanâ€™â€™ report published by the Institute of Medicine (IOM) in 1999 called for a national effort to  
make health care safer. Although the report has been widely credited with spawning efforts to study and  
improve safety in health care, there has been limited objective assessment of its impact. ORIGINAL
